Dear Sir or Madam:

RE: Organisation Name: _____
& Organisation Account Number if Available Tax Exempt Status: _____

As per the publication provided by the Australian Taxation Office - 'Is your organisation exempt from income tax?- Income tax guide for non-profit organisations' - Available at:
<http://www.ato.gov.au/nonprofit/content.asp?doc=/content/34269.htm> we

type/print organisation name here
have established that we comply fully with the requirements relating to Non-profit Community Service Organisations, and therefore claim through self-assessment that we are deemed to have tax free status

Should we at some stage in the future assess that we no longer meet the requirements to be exempt from income tax, or the ATO assess that we are not eligible to be exempt from income tax, we will advise Community Sector Banking as soon as this becomes apparent.

Should you have any queries in relation to this please do not hesitate to contact:

Kind Regards,
